

An Anniversary Charitable Goal

This year, BIN 36 restaurant celebrates 10 years of bringing an exciting perspective on wine, food and education to its guests. Horizons for Youth also commemorates 19 years of providing scholarships, mentoring and a unique community of support for children from low-resource areas of Chicago. In December, these significant entities will join forces for BIN 36's Bubble Bath X - to be held Wednesday, December 9 from 6 to 10 p.m. - and throughout the whole month toward the effort of helping children recognize and achieve their full potential.

Three Ways That You Can Help

Attend BIN 36's Bubble Bath X

At this annual holiday fete of Champagne and sparkling wine, guests can sample more than 75 varieties hand-picked by wine director Brian Duncan while enjoying an array of bubbly-friendly bites prepared by Executive Chef John Caputo. All of the wines presented will be available for purchase by the bottle or case at a 20% discount the day of the event.

The cost to attend Bubble Bath X is \$50 per person (inclusive of tax and gratuity). \$5 from every ticket sold, as well as all proceeds from the silent auction and raffle, will benefit Horizons for Youth. To purchase tickets, visit www.bin36.com.

Purchase Retail at BIN 36

BIN 36 will also pledge 2% of all retail sales during the month of December to the organization. Featuring an array of wine, books and other creative items, the market at BIN 36 was recognized in the latest issue of Bon Appetit as seamlessly combining great gifts and great food. Shop in-store or online at www.bin36.com.

Drink Wine at BIN 36

BIN 36 will donate \$1 to Horizons for Youth for every bottle of wine purchased by guests during lunch and dinner service.

About Horizon's for Youth

Currently, Horizons for Youth positively impacts the lives of 110 students who participate in the organization's long-term, comprehensive curriculum. Through its three core programs: tuition scholarships, one-on-one mentoring and child enrichment activities, Horizons for Youth has shown that hard-working students can achieve success if provided with the necessary tools and opportunities for growth. Visit www.horizons-for-youth.com for more information.
